

Kids

There is plenty to do in the area for kids of all ages. Water is always a good idea, please check the **'swimming/beaches section'** for more info.

The closest playground to us is in St Ciers sur Gironde (right behind the mediatheque) however, this is not a very big playground. More fun can be had at the **Port des Callonges playground** where in summer there is also a petting zoo and you can hire all sort of pedaling equipment.

Another fun playground can be found on the route to Blaye in Braud & St Louis, across from a fun **skate park** which also has open air exercise equipment.

The **Palmyre Zoo in Royan** is a very green and child friendly zoo. On a rainy day the **Aquarium in La Rochelle** is a great idea, it has a focus on local fish from the Estuary and an extensive conservation program.

Whilst going to a vineyard with the little ones might not seem an obvious idea, at **Chateau des Tourtes** you can hire (electric) bikes to go for a fun ride around the vines, they also have a cargo bike for those too little to paddle and of course you can bring your own bikes, too.
