Wine Purchasing and Tasting

If you would like to try local wines we suggest **Château des Tourtes**. The Raguenot Family offer tours and delicious tastings in excellent English as well as an audio-guided bicycle tour through the surrounding vineyards. They offer top quality electrical bikes for hire (or you could bring your own bicycle), including a cargo bike if bringing children or pets. To book ahead you can call them or book on their website: www.vignoblesraguenot.fr

Additionally there is the wonderful fully organic vineyard **Domaine Cazulet** which is only 2.5km away from us. The Cazulet family are very passionate winemakers and their wines are beautiful. Please note they only speak French and we recommend you bring cash.

If you are looking for an organised tour in English the marvellous Jesse Knight from **ManVsWine** can definitely help, his popular bespoke tours cover the whole region and he can adapt to your tastes and interests. The wines in our 'honesty wine bar' are hand picked by him.

Pinault & Cognac Tastings

Raymond Bossis in St Bonnet sur Gironde is an expert with a lot of passion for both drinks. The tastings can be done in English and come highly recommended.
